

Poliform

Ubik System

Walk-in closet as an architectural solution for environments. Ubik is a system to interpret a project to create orderly storage in your home in the most individual way possible, centered on versatile compositions and aesthetic definition. a proposal able to offer total quality with forms to fit the most diverse lifestyles.

Ubik Walk-in closet, design CR Poliform, 2003

Ubik system consists of wall panels, completed and equipped with a wide range of accessories: shelves, clothes racks, pull out trouser holder, floor containers, hanging cabinets and chest of drawers on castors.

All the equipment are fixed to the panels with lateral plates, without holes or visible junctions.

The possibility of a free positioning in height of the equipment confirms the flexibility of the system.

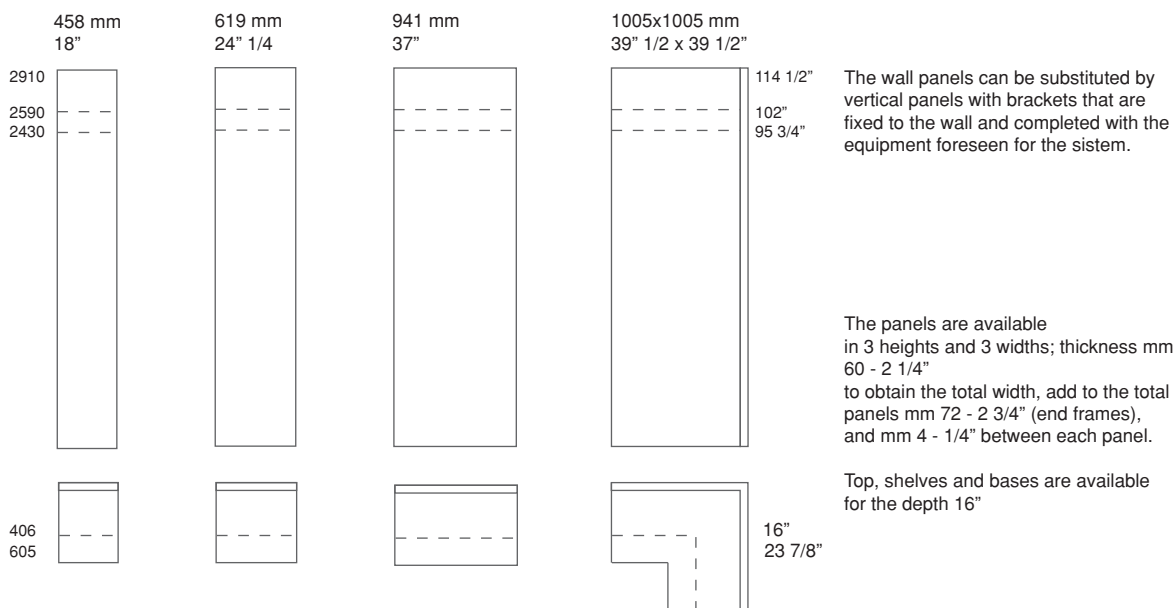

This system allows you to change the position of the element during the course of the time.

Finishing:

Wall panels and equipments of Ubik are available in 5 different melamines: oak , wenge, walnut c., white pine and brown oak; washable, easy to care, humidity and scratches resistant : a solid, reliable and lasting finishing. Wall panels are also available in the 6 glossy glass colours and in white and fumè mirror.
