## Poliform day collection

I like to experience modernity. The Poliform complements collection is a global project, which is able to adapt to any lifestyle. Poliform offers original products that can be both welcoming and relaxing, whatever style you are looking for.

## Astrid table , design Roberto Lazzeroni 2005

A collection of tables characterized by different thickness of each element and by their visual contrast. The tops, made with high thickness panel of wooden particles, come lighter from the sides to the internal part, while the solid wood legs present a particular working of elliptical section. Available in rectangular and round version.

**Finishing:**  
Wenge.
