

Poliform

Poliform night collection

Variety is the word to define the collection: thirteen different proposals, thirteen ideas for the night area; functionality, design and emotions are joined together in beds with a strong personality. To complete the choice there are "dedicated" containers, coherent in style, along with one multipurpose serie, which can be freely combined. Conceived to really satisfy any resting requirements, this system includes also mattresses, pillow and complements.

Ego mirror, design CR&S Poliform, 2003

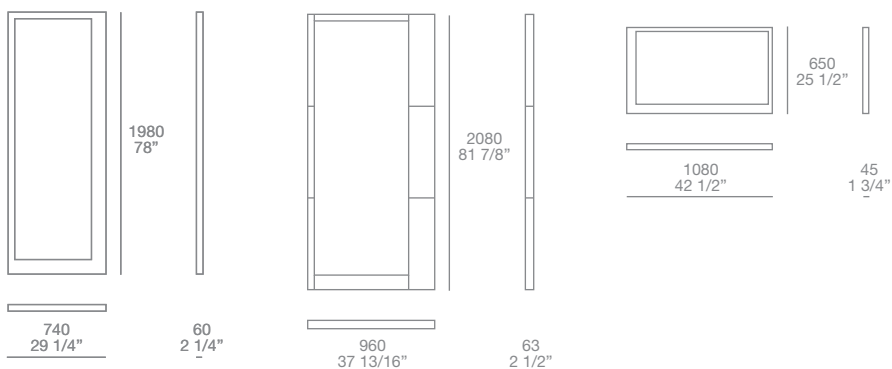

Essentiality of shapes and elegance of materials. Ego wall mirror is an exclusive proposal that confined every element to it's form and function.
