

Poliform

Night collection

Variety is the word to define the collection: fourteen different proposals, fourteen ideas for the night area; functionality, design and emotions are joined together in beds with a strong personality. To complete the choice there are "dedicated" containers, coherent in style, along with one multipurpose serie, which can be freely combined. Conceived to really satisfy any resting requirements, this system includes also mattresses, pillow and complements.

Moby

Moby bed, design Studio Kairos, 2003

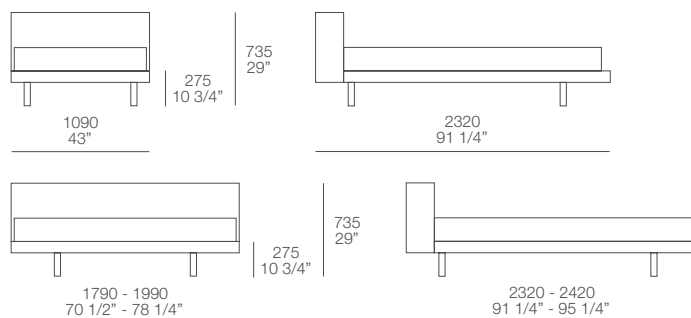

A contemporary textile bed. Formally Moby has been conceived as an original contrast of thickness between the headboard and the base. The particular sewing on the edges is the characterizing feature of the fabric version of this bed designed by Studio Kairos.

Technical characteristics and finishings:

Upholstered headboard and wooden bedframe with removable cover in fabric, eco-leather and leather.
