Poliform

Poliform è una delle realtà più significative nel mondo dell'arredamento internazionale per qualità del design, eccellenza del progetto e innovazione. Il suo talento è il saper fare, una capacità che unisce cultura e conoscenza e che prima di essere un gesto, il gesto che rende riconoscibile tutto ciò che è firmato Poliform, è un'idea di progettazione. Un pensiero che unisce ricerca di funzionalità, contenuti espressivi e significati, e che della combinazione tra estetica e utilità ha saputo fare un'arte, in ogni area della casa. Nella collezione di imbottiti, quest'arte si esprime attraverso sistemi di divani pensati per arredare i living più esclusivi all'insegna della bellezza e del comfort – tra design eccellente, materiali pregiati e lavorazioni sartoriali.

Poliform is one of the world's leading furniture companies. It stands out for design quality, project excellence, and innovation. Its know-how brings together culture and knowledge. Before becoming a gesture – the gesture that makes everything signed Poliform recognizable – it is a design idea. A thought process that combines the search of function, expressive content, and meaning, and that masterfully merges aesthetics with utility in every area of the house. In the Sofa collection, this art is expressed through systems that bring beauty and comfort to the most exclusive living rooms – thanks to excellent design, fine materials and tailored details.

JEAN-MARIE MASSAUD, 2013-2021

BRISTOL

Il comfort avvolgente della cuscinatura e la leggerezza dei braccioli contraddistinguono l'estetica di Bristol, sistema disegnato da Jean-Marie Massaud nel 2013 e reinterpretato alla luce delle più attuali esigenze di comfort. Il sistema offre la massima versatilità compositiva: disponibile sia in versione fissa sia componibile, in quest'ultimo caso si configura a piacere per creare divani lineari, ad angolo, oppure nelle più contemporanee forme curve, che si realizzano con l'elemento angolare inclinato. Bristol è disponibile con cuscinatura semplice, doppia, libera o comfort, con soffice imbottitura in piuma.

The enveloping comfort of the cushions and the lightness of the armrests distinguish the style of Bristol, a system designed by Jean-Marie Massaud in 2013 and reinterpreted to meet the actual comfort needs. The system offers maximum compositional versatility: available in fixed or modular version. The modular version can be composed to create linear, corner or more contemporary curved shapes that can be realized using the inclined corner element. Available with simple, double, free or comfort cushions with soft feather padding.
