Poliform

Poliform è una delle realtà più significative nel mondo dell'arredamento internazionale per qualità del design, eccellenza del progetto e innovazione. Il suo talento è il saper fare, una capacità che unisce cultura e conoscenza e che prima di essere un gesto, il gesto che rende riconoscibile tutto ciò che è firmato Poliform, è un'idea di progettazione. Un pensiero che unisce ricerca di funzionalità, contenuti espressivi e significati, e che della combinazione tra estetica e utilità ha saputo fare un'arte, in ogni area della casa. Nella collezione di imbottiti, quest'arte si esprime attraverso sistemi di divani pensati per arredare i living più esclusivi all'insegna della bellezza e del comfort – tra design eccellente, materiali pregiati e lavorazioni sartoriali.

Poliform is one of the world's leading furniture companies. It stands out for design quality, project excellence, and innovation. Its know-how brings together culture and knowledge. Before becoming a gesture – the gesture that makes everything signed Poliform recognizable – it is a design idea. A thought process that combines the search of function, expressive content, and meaning, and that masterfully merges aesthetics with utility in every area of the house. In the Sofa collection, this art is expressed through systems that bring beauty and comfort to the most exclusive living rooms – thanks to excellent design, fine materials and tailored details.

Soft details

Lo schienale, curvo e avvolgente, è tutt'uno con il bracciolo, leggermente rientrante rispetto alla seduta.
The round and enveloping backrest branches out into the armrest, which is slightly set back from the seat.

Il tavolino Saint-Germain riprende negli angoli arrotondati l'estetica degli elementi imbottiti tra cui è inserito.
The rounded corners of the Saint-Germain coffee table recall the aesthetics of the upholstered elements that surround it.

L'accostamento tra due elementi valorizza le linee morbide e i volumi pieni che caratterizzano il divano.
In combination with each other, the elements enhance the soft lines and full volumes of the sofa.

L'incontro tra forme, visivamente interessante anche sul retro, rende il divano perfetto anche a centro stanza.
Even the rear features a fascinating combination of shapes, making the sofa perfect for positioning in the centre of the room.

Il bracciolo rientrante sottolinea l'ampia profondità di seduta ed enfatizza la cuscinatura.
Set back from the seat, the armrest highlights the seat's width, emphasizing the cushions.

Il divano Boomerang è contraddistinto dalla particolare
curvatura della seduta, sottolineata dalla cucitura.
The Boomerang sofa features a
curved seat, highlighted by the stitching.

Nelle versioni con rivestimento in pelle, la cucitura
perimetrale doppia diventa un dettaglio anche estetico.
In the version with leather covering, the perimetral
double stitching becomes an aesthetic detail.

Volumi pieni per il divano fisso, dove l'ispirazione al design organico si esprime in tutta la sua forza.
Full volumes for the fixed sofa, where the organic inspiration reveals itself in all its strength.

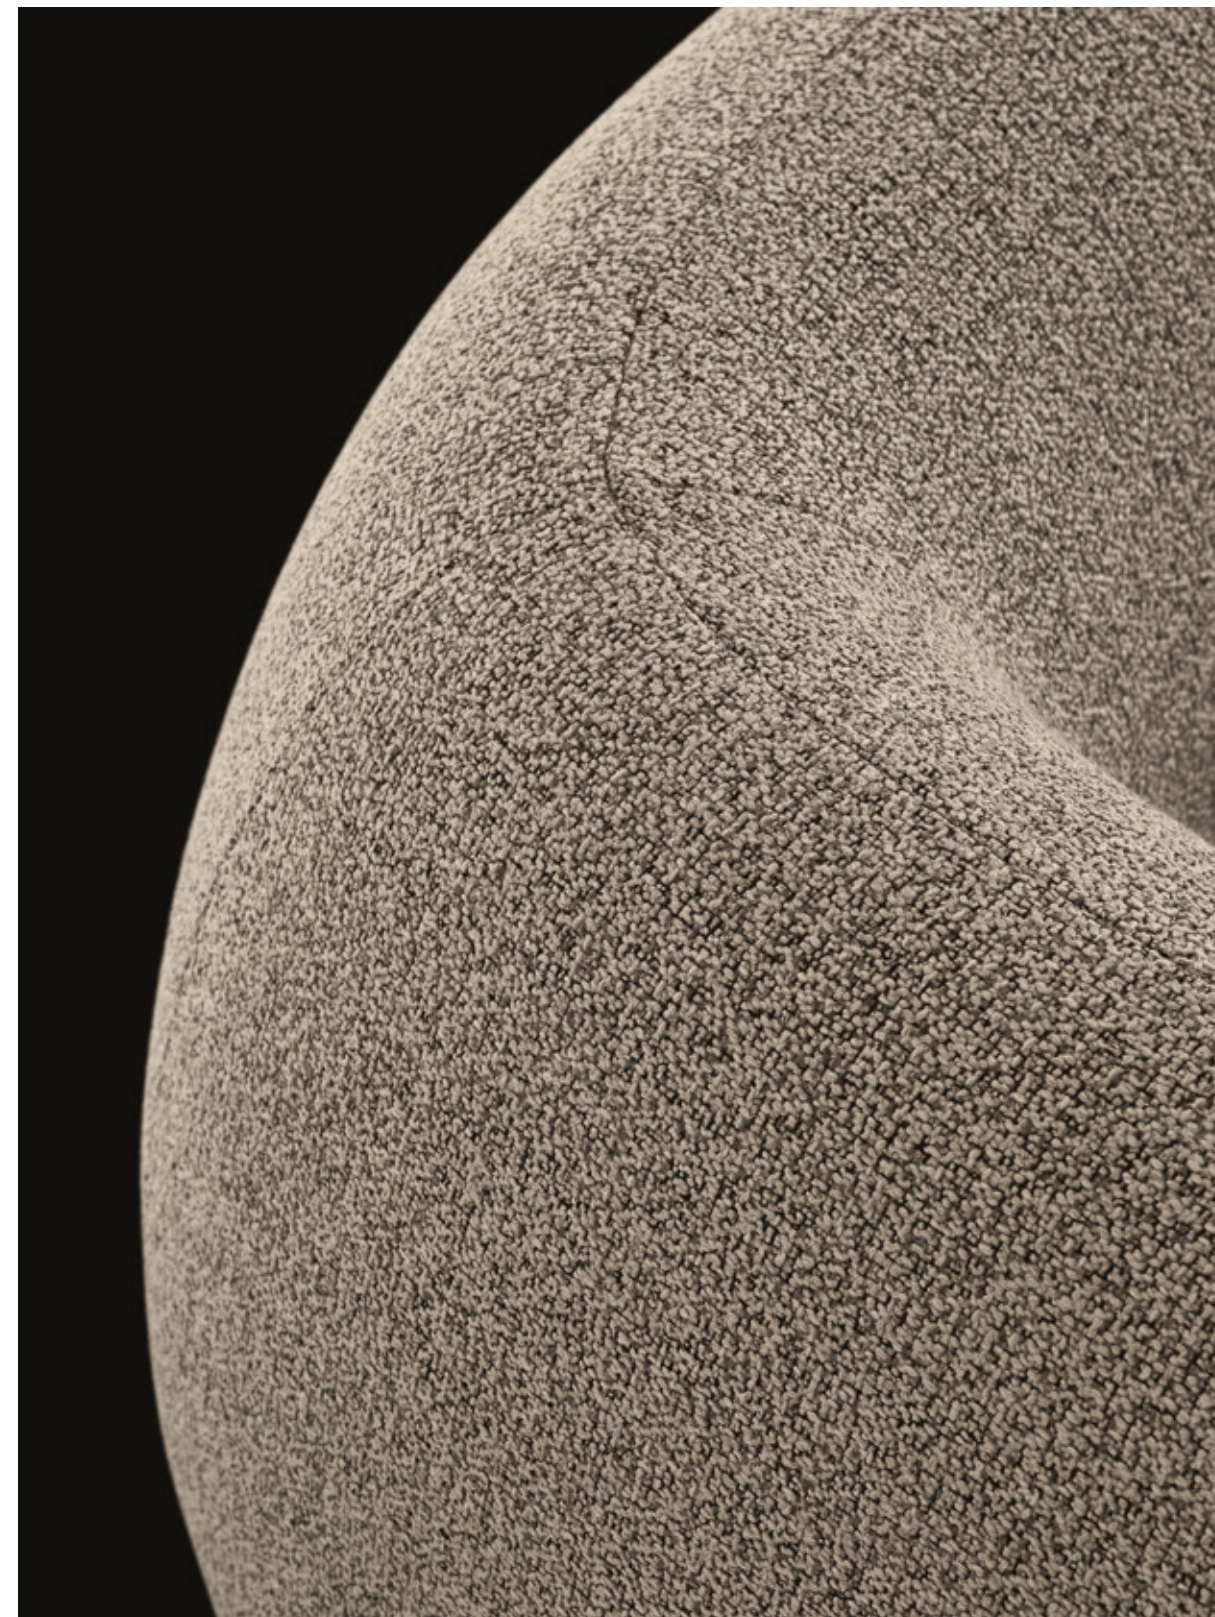

L'imbottitura in poliuretano è lavorata in modo tale da ottenere forme tondeggianti, morbide ma solide.
The polyurethane padding is crafted to obtain round shapes that are both soft and solid.

L'elemento chaise longue richiama le linee della collezione;
perfetto da solo, può essere usato anche come elemento terminale.
The chaise longue recalls the aesthetics of the rest of the collection.
It is perfect on its own, and can be also used as an end unit.

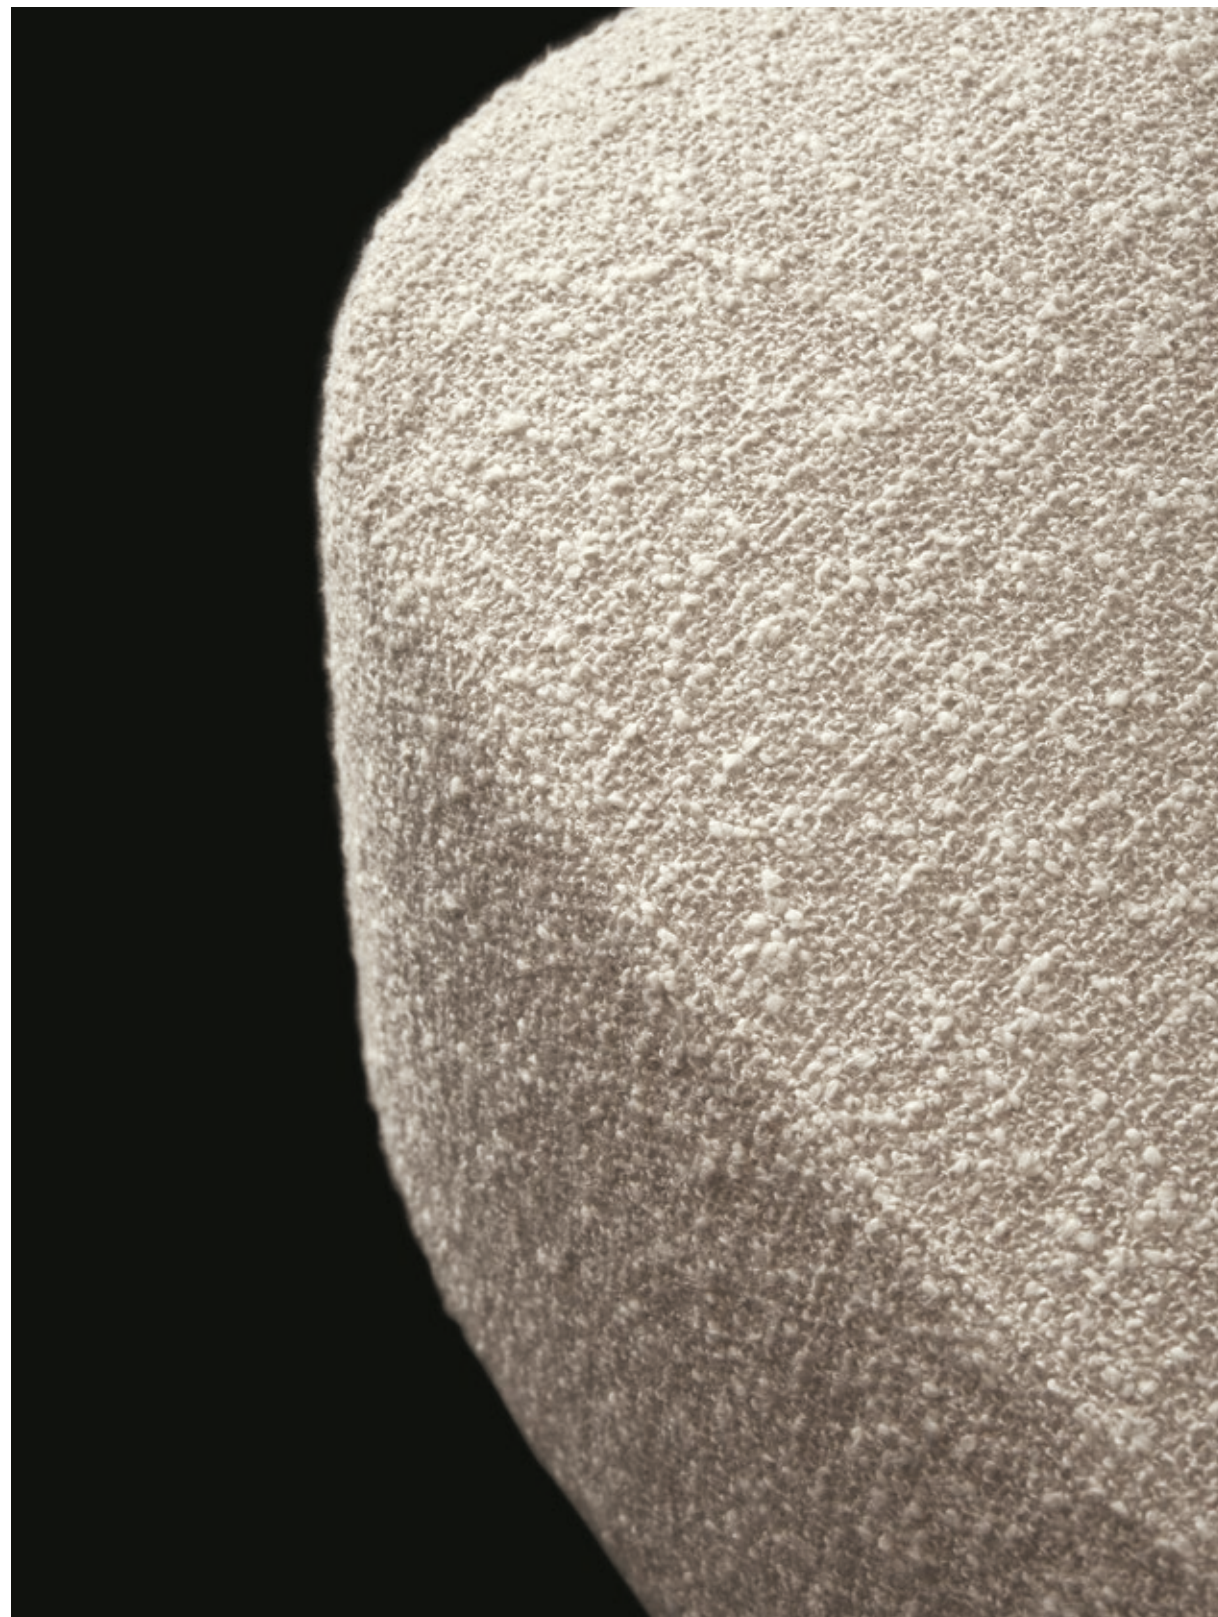

Le cuciture sottolineano la particolare
curvatura dello schienale avvolgente.
The stitching underlines the curvature
of the enveloping backrest.

Come tutti gli elementi della serie, anche il pouf
 è disponibile con rivestimento in tessuto o in pelle.
 As all other elements, the pouf too is
 available upholstered either in fabric or leather.

Le linee del pouf richiamano sia quelle del sistema Saint-Germain
 sia quelle dei tavolini Koishi, che naturalmente lo accompagnano.

 and that of the Koishi coffee tables, that complement it naturally.
