Jean-Marie Massaud disegna un paesaggio domestico dalla forte connotazione architettonica, il cui protagonista è Brera, un sistema di divani dove l'eleganza si esprime attraverso un segno orizzontale, pulito e contemporaneo. Diverse le conformazioni possibili, da quella lineare classica a quella curva, destinata agli spazi più ampi e alle aree lounge. Altissimo il livello di comfort, grazie a cuscini che trasportano la tecnologia del riposo nel living, mentre la sartorialità è enfatizzata dai dettagli couture in cuoio e dalla nuova selezione di tessuti, che fa risaltare le cuciture come particolari preziosi.

Jean-Marie Massaud designs a domestic landscape with a strong architectural quality. Its protagonist is Brera, a sofa system where elegance is expressed through a horizontal, clean and contemporary design. Different configurations are possible, from the classic linear one to the curved one, best suited to larger spaces and lounge areas. The level of comfort is extremely high, thanks to pillows that embody relaxation-enhancing technology. A sartorial quality is emphasised by couture details in hide and a new selection of fabrics, which make the seams stand out like precious details.
