Poliform

Poliform è una delle realtà più significative nel mondo dell'arredamento internazionale per qualità del design, eccellenza del progetto e innovazione. Il suo talento è il saper fare, una capacità che unisce cultura e conoscenza e che prima di essere un gesto, il gesto che rende riconoscibile tutto ciò che è firmato Poliform, è un'idea di progettazione. Un pensiero che unisce ricerca di funzionalità, contenuti espressivi e significati, e che della combinazione tra estetica e utilità ha saputo fare un'arte, in ogni area della casa. Nella collezione di imbottiti, quest'arte si esprime attraverso sistemi di divani pensati per arredare i living più esclusivi all'insegna della bellezza e del comfort – tra design eccellente, materiali pregiati e lavorazioni sartoriali.

Poliform is one of the world's leading furniture companies. It stands out for design quality, project excellence, and innovation. Its know-how brings together culture and knowledge. Before becoming a gesture – the gesture that makes everything signed Poliform recognizable – it is a design idea. A thought process that combines the search of function, expressive content, and meaning, and that masterfully merges aesthetics with utility in every area of the house. In the Sofa collection, this art is expressed through systems that bring beauty and comfort to the most exclusive living rooms – thanks to excellent design, fine materials and tailored details.

BRERA

Jean-Marie Massaud disegna un paesaggio domestico dalla forte connotazione architettonica, il cui protagonista è Brera, un sistema di divani dove l'eleganza si esprime attraverso un segno orizzontale, pulito e contemporaneo. Diverse le conformazioni possibili, da quella lineare classica a quella curva, destinata agli spazi più ampi e alle aree lounge. Altissimo il livello di comfort, grazie a cuscini che trasportano la tecnologia del riposo nel living, mentre la sartorialità è enfatizzata dai dettagli couture in cuoio e dall'accurata selezione dei tessuti.

Jean-Marie Massaud designs a domestic landscape with a strong architectural quality. Its protagonist is Brera, a system of sofas where elegance is expressed through a horizontal, clean and contemporary design. Different configurations are possible, from the classic linear one to the curved one, best suited to larger spaces and lounge areas. The level of comfort is extremely high, thanks to pillows that embody relaxation-enhancing technology. A sartorial quality is emphasised by couture details in leather and careful selection of fabrics.

Soft details

Da elemento funzionale, il bracciolo Slim diventa dettaglio couture e spicca tra gli elementi imbottiti sia per le linee sottili sia per la preziosità del cuoio.
A functional element, the Slim armrest is also a couture design detail, standing out against the upholstery for its subtle lines and luxury leather.

La particolarità del divano è la base in cuoio, da scegliere
tono su tono o a contrasto con il tessuto del rivestimento.
This sofa is rendered unique thanks to its leather base, whose
colour can be chosen to contrast the fabric of its upholstery.

Il tessuto caratterizza i dettagli delle cuciture. In questo caso,
al rivestimento in tinta unita è abbinata una texture decorativa.
The fabric of the sofa gives character to the detail in its stitching.
In this case, the upholstery in plain colour is paired with a decorative texture.

Il divano è sospeso su piedini in metallo, che fuoriescono leggermente rispetto alla linea del basamento.
The sofa is held up by metal feet which protrude slightly from the outline of the base.

Le forme degli elementi sono squadrate, eppure morbide, grazie alla particolare lavorazione delle imbottiture.
The elements of this sofa are square yet soft, thanks to the unique craftsmanship of the upholstery.

Ispirazione architettonica per il bracciolo Slim,
che diventa tutt'uno con la base in cuoio.
Architectural inspiration for the Slim armrest,
which blends into the leather base.

Nel divano Brera, il rivestimento è interpretato come possibilità
estetica e come veicolo di sensazioni visive e tattili.
The upholstery of the Brera sofa can be interpreted both
as an aesthetic detail and as a sensory delight.

L'accostamento tra materiali diversi trova una perfetta armonia grazie alle linee morbide e alle tonalità ricercate di cuoio, tessuto e metallo.
The juxtaposition of the different materials creates a perfect sense of harmony between the sofa's soft shapes and tones of leather, fabric, and metal.

Anche l'elemento mensola è disponibile in cuoio. È realizzato secondo la tradizione della pelletteria d'alta gamma.
The shelf element is also available in leather, crafted according to the highest quality leatherworking tradition.

Nella versione curva, gli elementi della seduta sono caratterizzati da una peculiare curvatura.
In the curved version, the seated elements are characterised by a peculiar sense of sinuosity.

La sartorialità si rivela nei dettagli come le particolari impunture del cuoio e l'accuratezza delle cuciture dei rivestimenti in tessuto.
The quality of the tailoring is apparent in details such as the stitching of the leather and the precision of the seams in the fabric's upholstery.
