Poliform

Poliform è una delle realtà più significative nel mondo dell'arredamento internazionale per qualità del design, eccellenza del progetto e innovazione. Il suo talento è il saper fare, una capacità che unisce cultura e conoscenza e che prima di essere un gesto, il gesto che rende riconoscibile tutto ciò che è firmato Poliform, è un'idea di progettazione. Un pensiero che unisce ricerca di funzionalità, contenuti espressivi e significati, e che della combinazione tra estetica e utilità ha saputo fare un'arte, in ogni area della casa. Nella collezione di imbottiti, quest'arte si esprime attraverso sistemi di divani pensati per arredare i living più esclusivi all'insegna della bellezza e del comfort – tra design eccellente, materiali pregiati e lavorazioni sartoriali.

Poliform is one of the world's leading furniture companies. It stands out for design quality, project excellence, and innovation. Its know-how brings together culture and knowledge. Before becoming a gesture – the gesture that makes everything signed Poliform recognizable – it is a design idea. A thought process that combines the search of function, expressive content, and meaning, and that masterfully merges aesthetics with utility in every area of the house. In the Sofa collection, this art is expressed through systems that bring beauty and comfort to the most exclusive living rooms – thanks to excellent design, fine materials and tailored details.

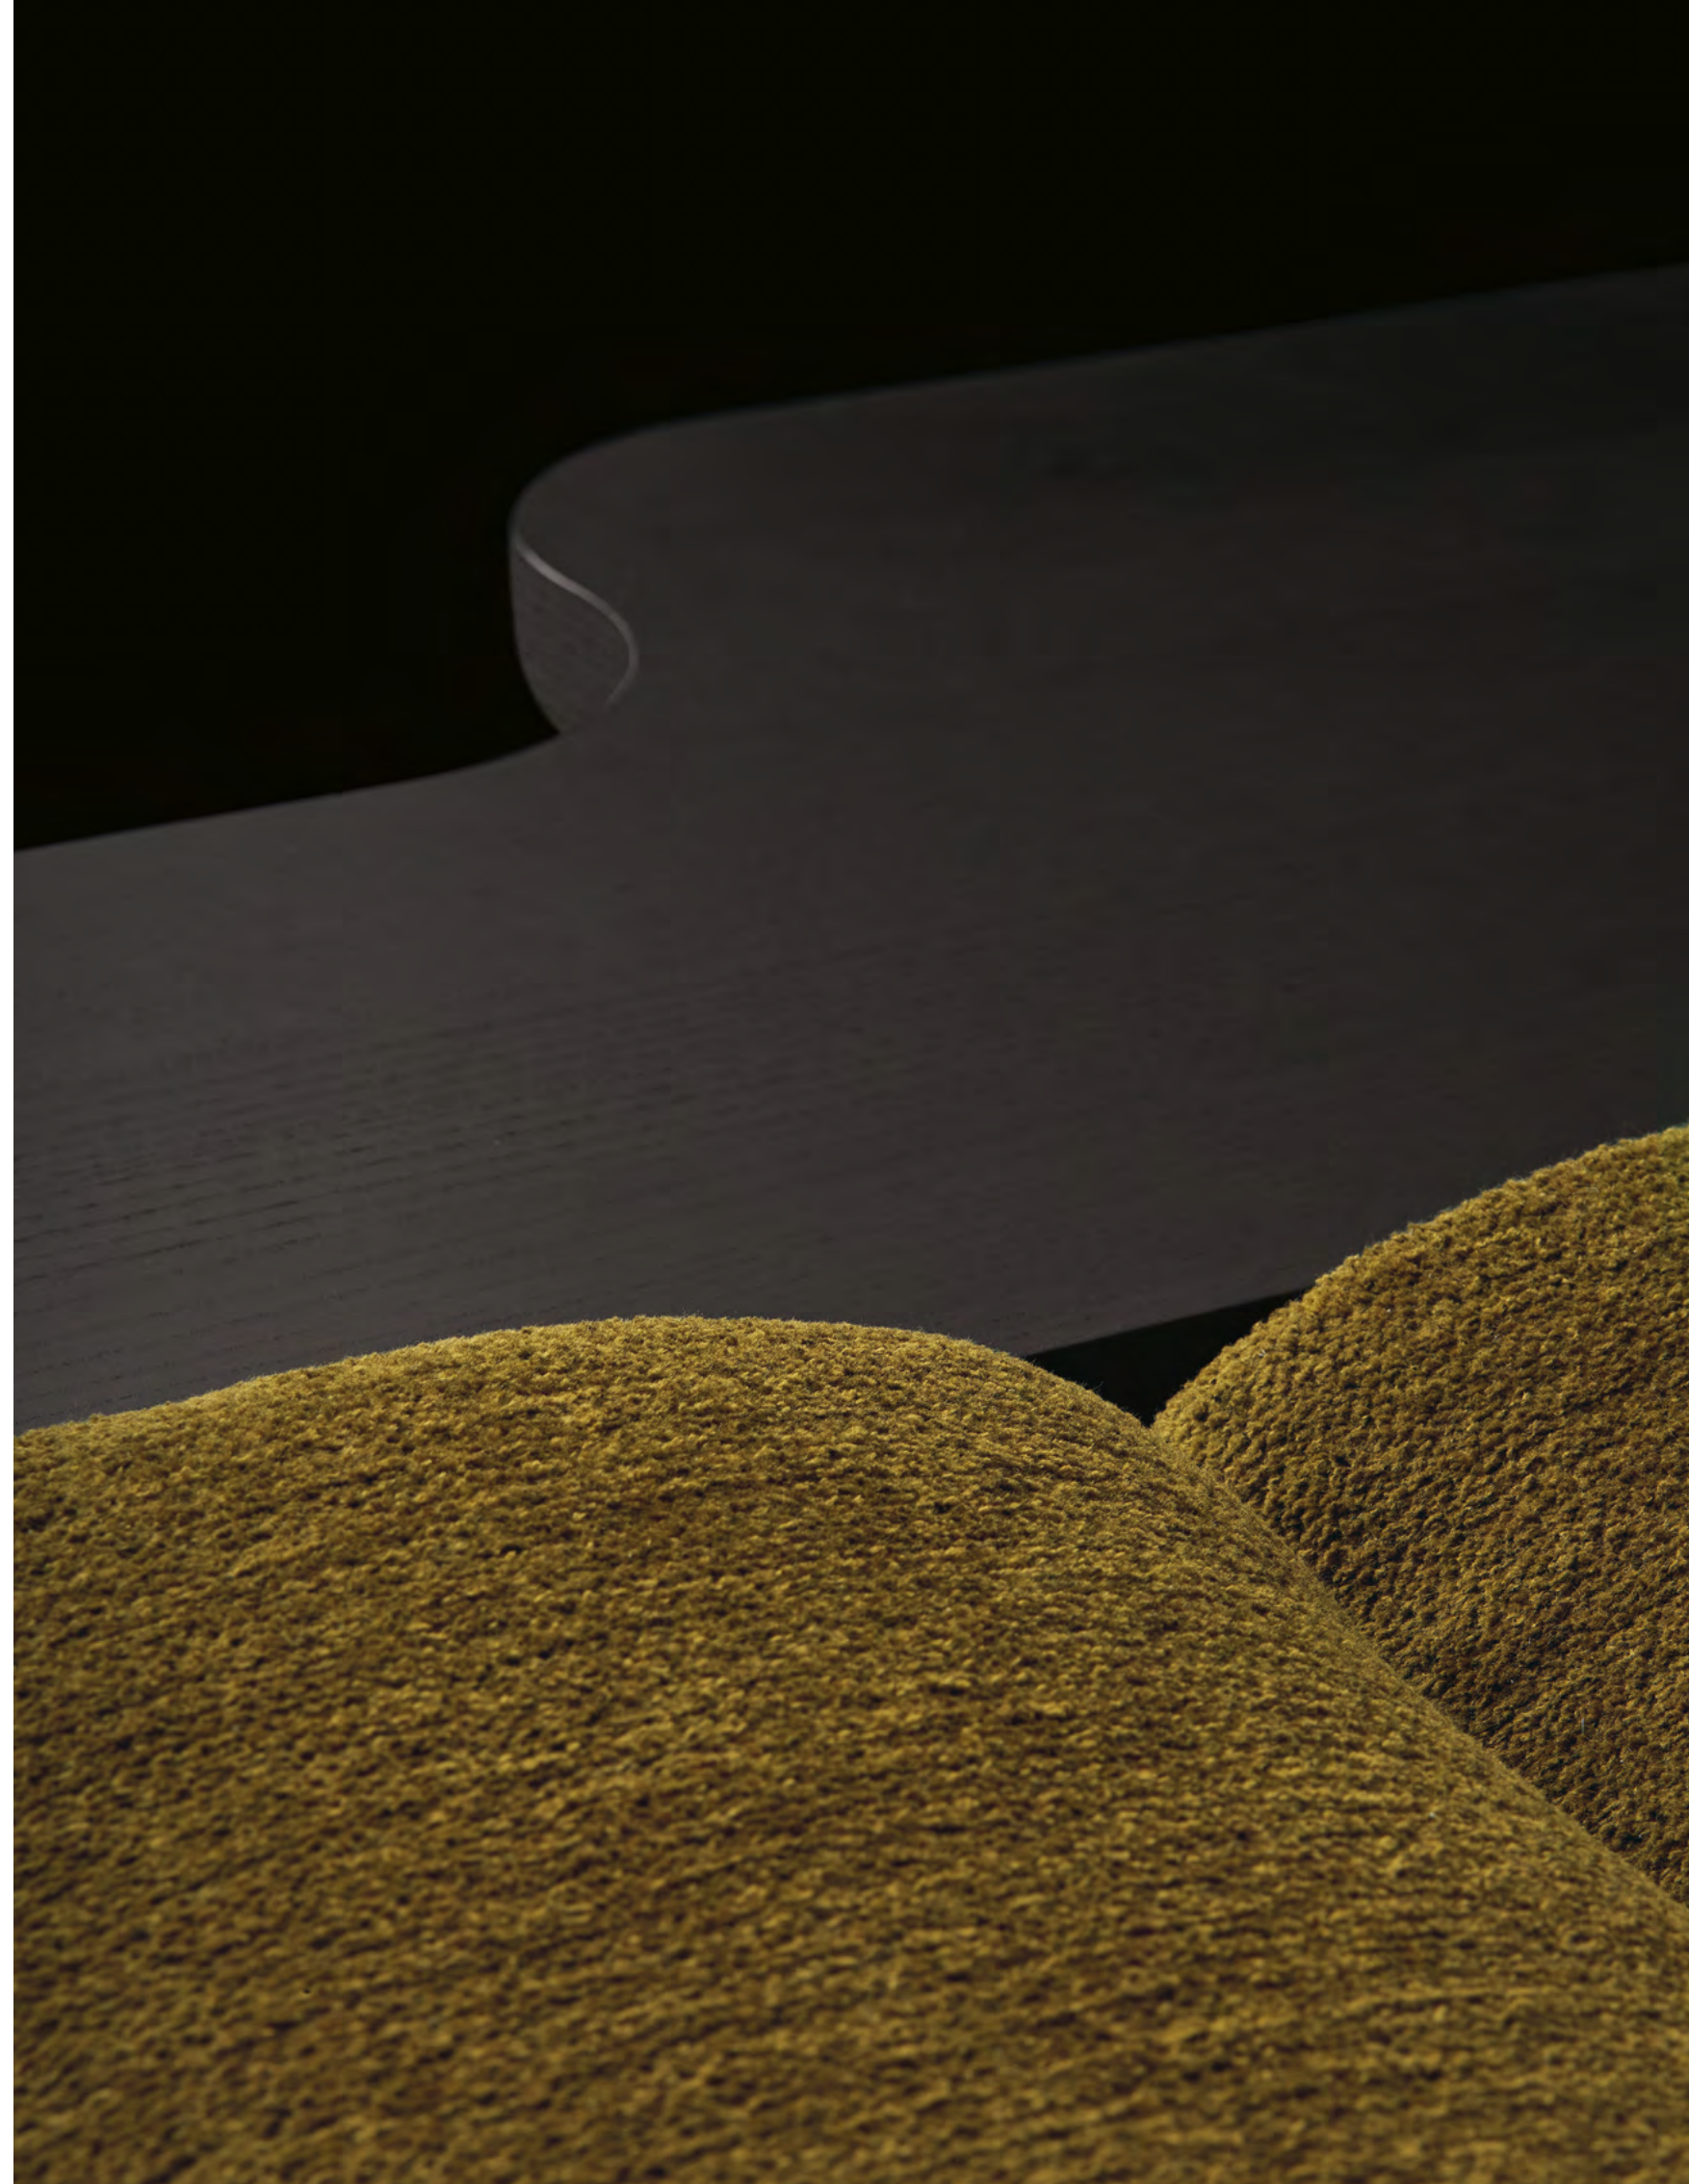

ERNEST

Con Ernest, Jean-Marie Massaud interpreta il tema del comfort in modo radicale. Il risultato di questo approccio, che fa della modularità un punto di forza, è un divano dai volumi morbidi e destrutturati ispirati a un cuscino in piuma, per un comfort naturale. Accostando i diversi elementi si creano divani piccoli o grandi, lineari o a L, senza mai perdere la forza espressiva del progetto.

With Ernest, Jean-Marie Massaud tackles the theme of comfort in a radical way. The result of this approach, which makes modularity its strong point, is a sofa with soft, deconstructed volumes inspired by a down cushion for natural comfort. The juxtaposition of the different elements results in small or large, linear or L-shaped sofas, without ever losing the expressive power of the design.

Soft details

I volumi del divano sono morbidi, pieni e destrutturati.
Sono ispirati a un comfort naturale, da vivere in totale relax.
The soft, full, and deconstructed volumes of the sofa are
inspired by and designed for complete relaxation and comfort.

Anche il tavolino terminale, pensato per affiancare
il divano è caratterizzato da linee curve.
Even the end table, designed to match the sofa,
is characterized by curved lines.

Grazie all'elemento inclinato si possono progettare
composizioni curve, che valorizzano la morbidezza del design.
The angled element allows for curved compositions
that enhance the softness of the design.

Il bracciolo richiama le forme morbide del divano
e rende ancora più confortevole la seduta.
The armrest echoes the soft shapes of the sofa,
making the seating even more comfortable.

Il divano nasce dall'accostamento di diversi moduli, la cui individualità
non solo resta leggibile, ma diventa peculiarità estetica.
The sofa was created by combining different modules, each with a unique
character that remains visible and enhances the design's aesthetic.

Il bracciolo terminale che sporge leggermente
rende più dinamiche le linee del divano.
The slightly protruding end armrest adds a sense
of flow to the movement of the sofa.

La versione rivestita in pelle spicca per forza espressiva,
in particolare nell'abbinamento all'olmo nero.
The leather-upholstered version stands out for its
expressive power, especially when paired with black elm.

Il morbido rivestimento in ciniglia enfatizza i volumi pieni e destrutturati dei moduli che compongono il divano.
The soft chenille upholstery emphasizes the full, deconstructed volumes of the sofa's modular components.

I moduli con schienale possono essere affiancati dal pouf per comporre un divano a misura del proprio comfort.
Backrest modules can be paired with the pouf to create a sofa tailored to personal comfort.

L'elemento poltrona può essere usato singolarmente, anche abbinato al pouf per creare una chaise longue.
The armchair can be used individually or combined with the pouf to create a chaise longue.

La cura dei dettagli è massima. Le particolari impunture delle versioni in pelle suggeriscono ispirazioni sartoriali.
A meticulous attention to detail. The distinctive stitching on the leather versions evokes a tailor-made feel.

Nella chaise longue, volumi destrutturati e linee organiche sono valorizzati dall'asimmetria del bracciolo.
The sculptural forms and organic contours of the chaise longue are highlighted by the bold asymmetry of the armrest.

La possibilità di spostare il pouf alla distanza desiderata è in linea con un'idea di relax completo e personalizzato.
The movable pouf is designed for ultimate relaxation and allows for a fully personalized lounging experience.

Suggerzioni scultoree per i tavolini in marmo travertino, le cui forme solide e piene valorizzano la naturale bellezza del materiale.
Inspired by sculpture, the travertine marble tables feature solid and full forms that enhance the material's natural beauty.

Come in un intarsio, i tavolini possono essere combinati tra loro per creare figure che rendono dinamica la zona living.
As in an inlay, the tables can be combined to create shapes that add flow and movement to the living area.
