Poliform

Poliform è una delle realtà più significative nel mondo dell'arredamento internazionale per qualità del design, eccellenza del progetto e innovazione. Il suo talento è il saper fare, una capacità che unisce cultura e conoscenza e che prima di essere un gesto, il gesto che rende riconoscibile tutto ciò che è firmato Poliform, è un'idea di progettazione. Un pensiero che unisce ricerca di funzionalità, contenuti espressivi e significati, e che della combinazione tra estetica e utilità ha saputo fare un'arte, in ogni area della casa. Nella collezione di imbottiti, quest'arte si esprime attraverso sistemi di divani pensati per arredare i living più esclusivi all'insegna della bellezza e del comfort – tra design eccellente, materiali pregiati e lavorazioni sartoriali.

Poliform is one of the world's leading furniture companies. It stands out for design quality, project excellence, and innovation. Its know-how brings together culture and knowledge. Before becoming a gesture – the gesture that makes everything signed Poliform recognizable – it is a design idea. A thought process that combines the search of function, expressive content, and meaning, and that masterfully merges aesthetics with utility in every area of the house. In the Sofa collection, this art is expressed through systems that bring beauty and comfort to the most exclusive living rooms – thanks to excellent design, fine materials and tailored details.

Soft details

Nel divano Joan, i rivestimenti sono selezionati con cura e valorizzati da dettagli come i profili tono su tono o a contrasto.
In the Joan sofa, the upholstery is carefully selected and enhanced by tone-on-tone or contrasting piping details.

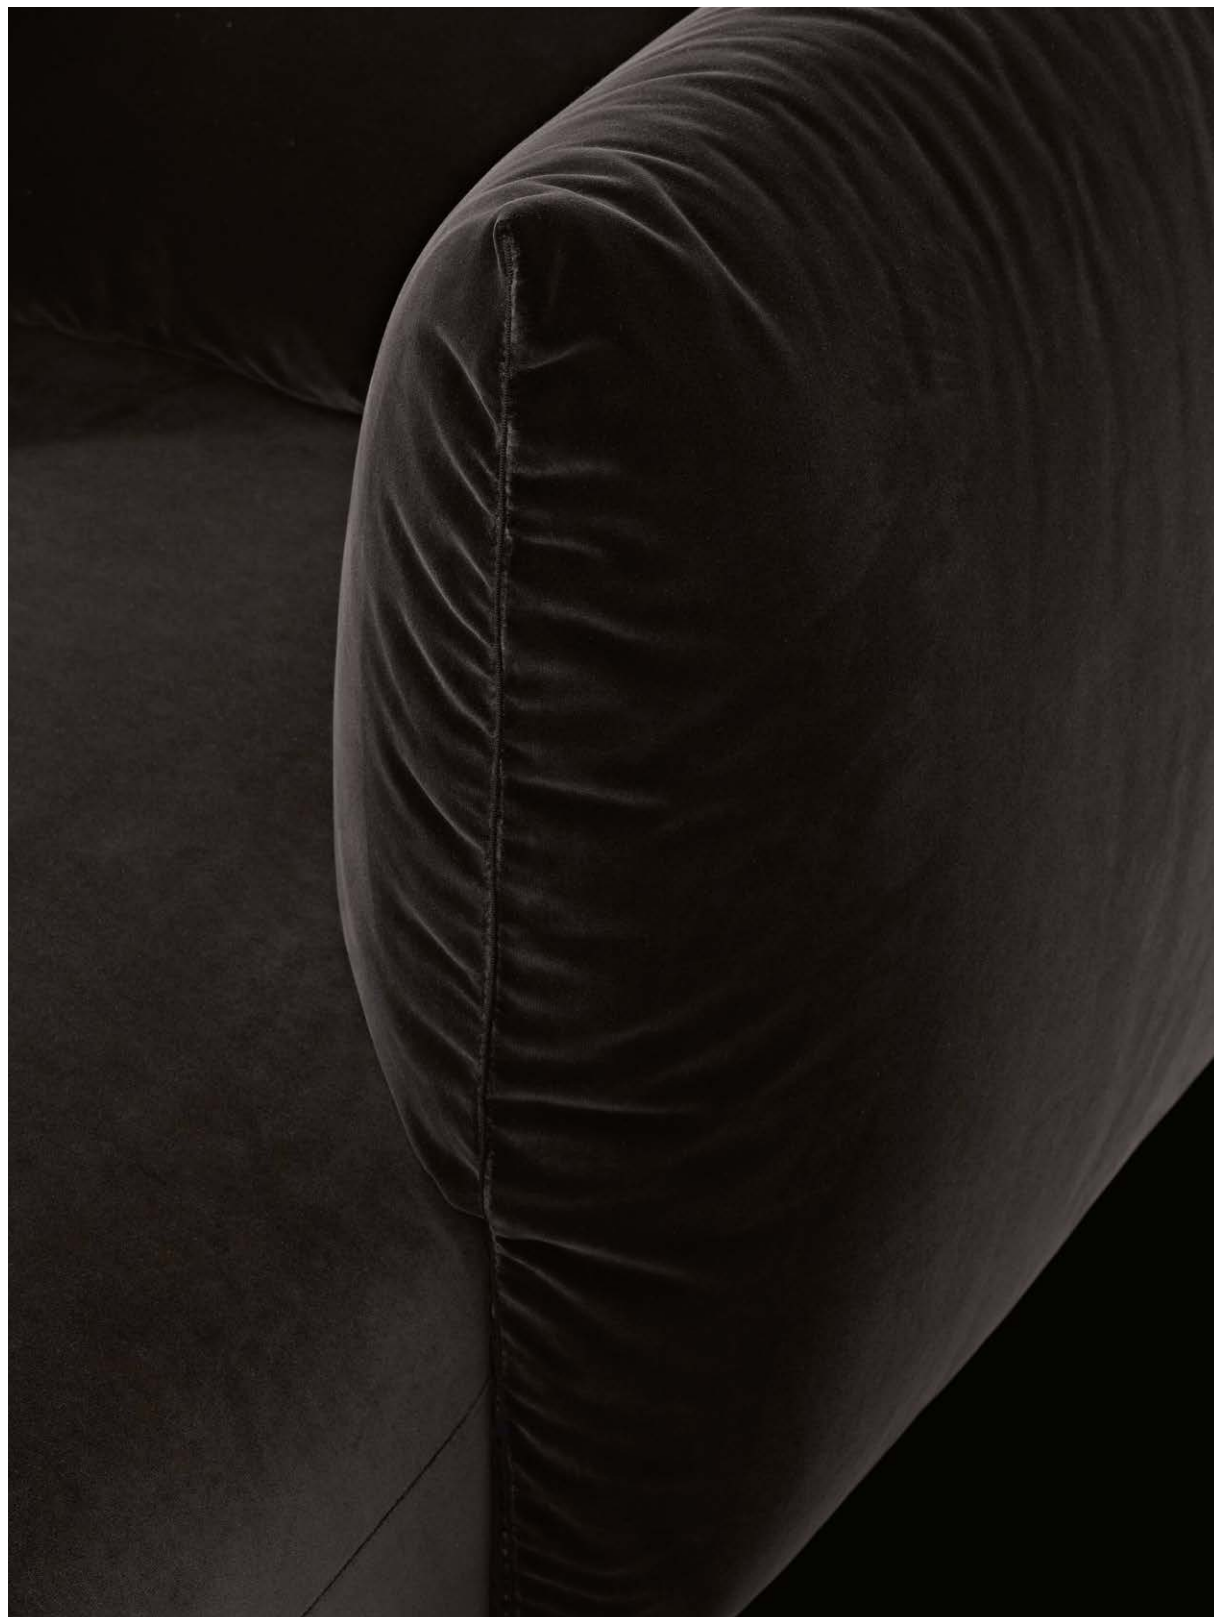

I volumi morbidi di braccioli e schienale sono ispirati a quelli di un guanciale, archetipo di comfort.
The softly rounded armrests and backrest echo the shape and feel of a pillow – timeless symbol of comfort.

La profondità della seduta è accentuata dalla delicata curvatura del bracciolo sagomato, per un comfort che è anche visivo.
The shaped armrest, with its subtle curve, accentuates the seat's depth, offering comfort that is as much visual as it is physical.

L'imbottitura del divano è resa ancora più soffice da un pre-rivestimento in fibra.
A fibre pre-covering lends added softness to the sofa's padding.

Tra gli elementi imbottiti è possibile inserire un volume in essenza.
Il suo lato inclinato definisce la curvatura del divano.
A wood insert can be placed between the padded sections, with its slanted edge shaping the sofa's overall curvature.

Sul retro, l'incontro tra schienale e bracciolo
è enfatizzato dal doppio profilo tono su tono.
At the rear, the junction of backrest and armrest
is highlighted by double tone-on-tone piping.

Affiancando moduli di profondità diverse si creano aree
di comfort differenziate, capaci di rispondere a ogni esigenza.
Pairing modules of different depths allows for multiple
levels of comfort, designed to respond to every need.

La comodità del divano è accentuata dalla presenza dei
cuscini aggiuntivi, che rendono la seduta ancora più confortevole.
Added cushions increase the sofa's comfort,
making the seating even more inviting.

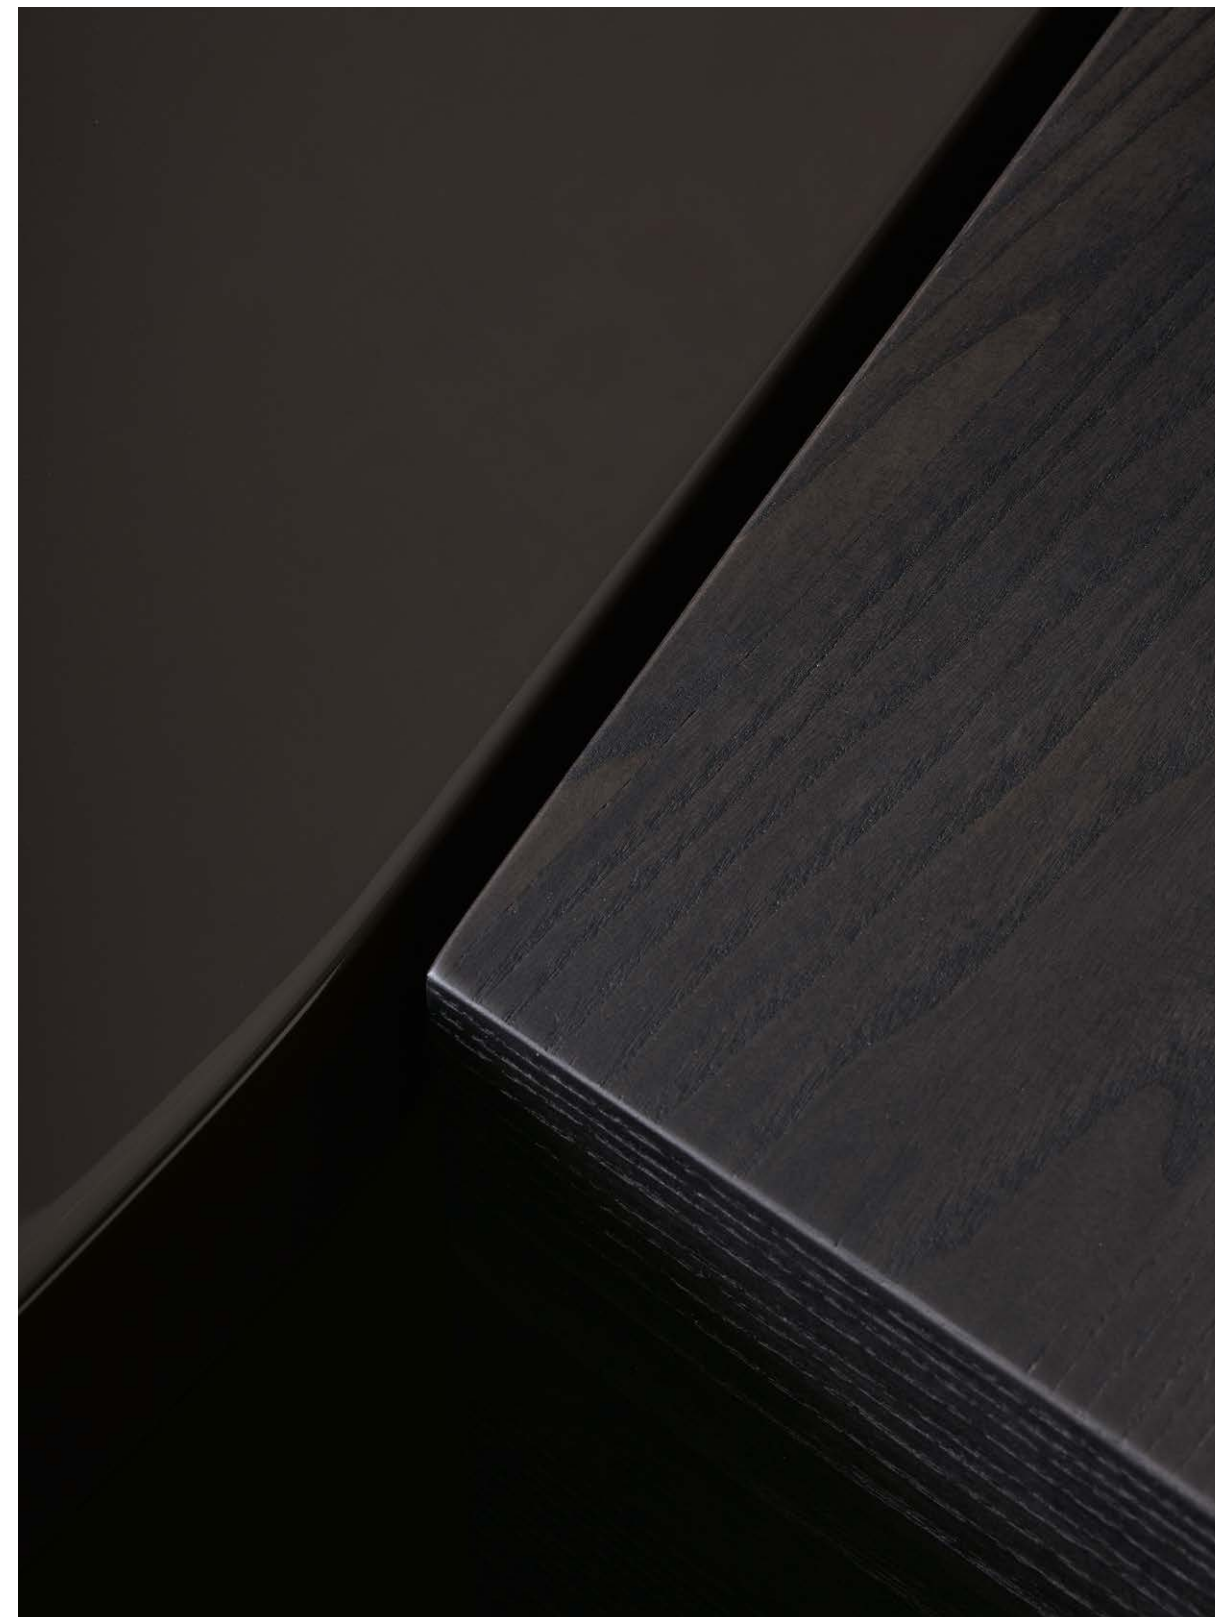

I rivestimenti seguono le linee del divano
e offrono una piacevole morbidezza al tatto.
The upholstery traces the sofa's contours,
offering a soft and pleasant feel.

Anche i tavolini si caratterizzano per le forme essenziali che diventano quasi scultoree, come nella versione in acciaio.
Even the side tables feature essential forms, taking on an almost sculptural quality, as seen in the steel version.

I tavolini possono anche essere abbinati tra loro, combinando forme e finiture diverse come essenza e laccato.
The side tables can also be paired, combining different shapes and finishes such as wood and lacquer.

L'essenzialità dei tavolini è resa più morbida da delicate curvature che richiamano l'estetica del divano.
The side tables' essential design is softened by gentle curves that recall the sofa's aesthetic.

Le venature impreziosiscono la versione in essenza, dando carattere e matericità ai volumi del tavolino.
The grain enhances the wood version, adding character and texture to the table's volumes.
