

BELLPORT

JEAN-MARIE MASSAUD (2018)

DESCRIPTION

Bellport, designed by Jean-Marie Massaud, is a collection of sofas devised to recreate the bright and sprightly atmosphere that inspired its name. Indeed, famous for its well-being and superior quality of life, Bellport is not only a place where former factories and warehouses are being renovated, but most of all where new ideas are springing up. The collection consists of several components such as sofas, day beds, poufs and armchairs devised to blend in seamlessly with the remainder of Poliform's living room collection. Extremely versatile, just like a close-fitting or loose garment, ideal for the city and for a holiday, warm or light-weight, suitable for every situation, whether in summer or in winter, in the Hamptons or in Chelsea.
