ALEA KITCHEN
DIGITAL CATALOGUE

Spessore ridotto, apertura a gola e massima versatilità nella scelta delle finiture: sono le caratteristiche che rendono l'anta Alea unica per possibilità compositive e personalizzazione. Un design lineare fatto di superfici piane e volumi geometrici, capace di ridefinire l'ambiente cucina unendo all'altissima capacità operativa un'estetica minimale.

Reduced thickness, groove opening, and maximum versatility in the choice of finishes: these are the characteristics that make the Alea door unique for compositional possibilities and customisation. A linear design made of flat surfaces and geometric volumes, capable of redefining the kitchen environment by combining a very high operational capability with a minimalistic style.
